

MOMENTOS CAFE
menu

OUR STORY

We believe in the power of small gestures.

When you enter our cafe, you will be greeted with a friendly smile.

We want our café to become your heaven of **peace and daily pleasure with top-quality coffee and Argentine delicacies**. A place where you can escape the hustle and bustle of everyday life and simply enjoy.

We come from Argentina and bring with us a passion for preparing and drinking the perfect coffee. For us, coffee is a magical ritual that begins with the selection of the highest quality beans. The one you will drink here is a carefully selected original blend of Latin American flavors. It comes from the best plantations in Brazil, Peru, Costa Rica and Colombia, and is roasted in Slovenia to preserve its full aroma, character and intense taste. **Our experienced baristas prepare each cup with care and love for detail.**

In addition to top-notch coffee, we will pamper you with fresh homemade croissants, pastries, and delicious Argentinean snacks and wines.

Thank you for visiting.
